

BIRTHWISE MIDWIFERY SCHOOL

DONA Doula Workshop Scholarship Application

Each year, Birthwise Midwifery School awards up to four full scholarships to attend one of our Doula Training Workshops. The recipients of these scholarships are members of Maine's recent immigrant communities and they are awarded with the intent of improving the experience of new Mainers in the maternity care system.

To be considered, please complete the application below and return to Birthwise along with an essay introducing yourself and your status as a new Mainer and addressing your interest and goals in becoming a doula.

Additionally, please have a member of the community you are a part of, preferably someone in a leadership position, complete the associated reference form and return to Birthwise.

DONA Doula Workshop Scholarship Policies

Please review the policies below and sign to confirm acknowledgment:

- By accepting the DONA Doula Workshop Scholarship, the recipient acknowledges their intention to become fully certified through Doulas of North America (DONA) and to work within an immigrant community.
- By accepting the DONA Doula Workshop Scholarship, the recipient may provide Birthwise with a brief bio and image for Birthwise to use in connection to the promotion of the DONA Doula workshops held at Birthwise and to the scholarships provided by Birthwise. The submission of this information is voluntary and does not affect the award of this scholarship.
