To Whom it May Concern,

Birthwise Midwifery School has made the decision to move all Community Cohort courses to online instruction for the upcoming sessions as a response to the COVID-19 pandemic. Students who had planned to travel to attend sessions from 3/30/2020-4/10/2020 and from 4/13/2020 – 4/24/2020 will not be allowed to come to campus and will therefore need to cancel flights and housing reservations or move them to future dates for future sessions.

We recognize that the impact of COVID-19 is far reaching, but we are heartened to hear that most airlines and housing managers are being generous with cancellations and rescheduling in order to support efforts to prevent virus spread. We hope you will be generous with our students.

Best regards,

Katie Krebs, MPH
